

PreachIt.org, Led by Valparaíso Pastor James Smith, Celebrates 22 Years Equipping Pastors & Leaders Worldwide

PreachIt.org, led by Valparaíso Pastor James Smith, marks 22 years online serving pastors with sermons, studies, and leadership tools worldwide.

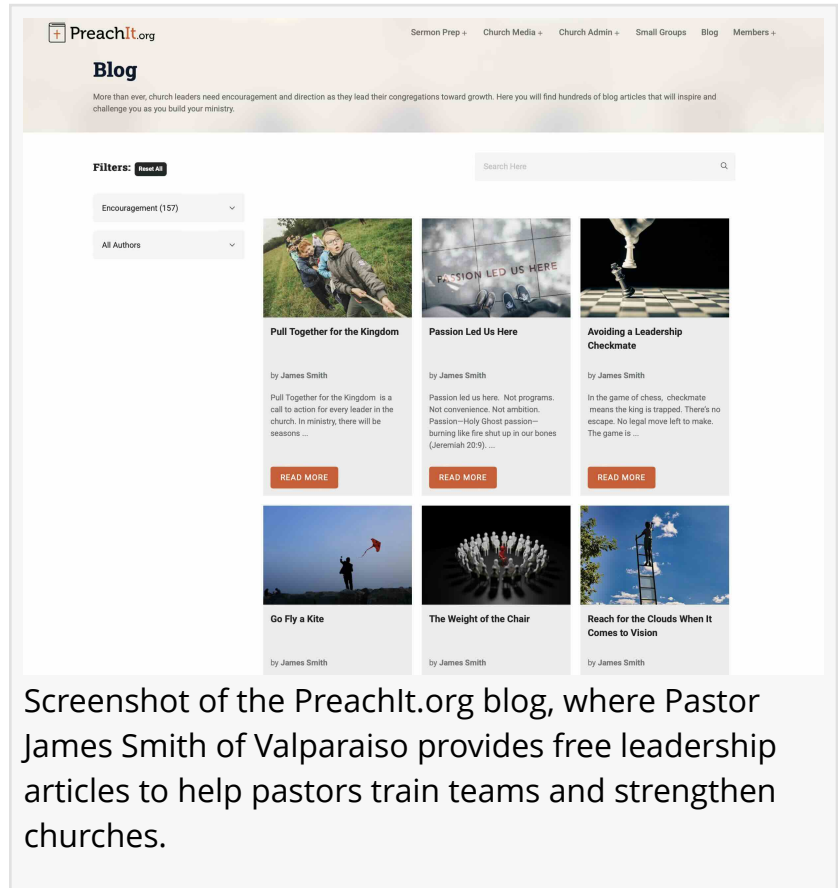

VALPARAISO, IN, UNITED STATES, October 1, 2025 /EINPresswire.com/ -- PreachIt.org, founded and led by Pastor James Smith of Valparaíso, is celebrating over 22 years of ministry impact online. What began as a humble effort to help busy and struggling pastors has grown into a global resource hub, serving thousands of pastors and church leaders across nearly every country.

Through its over two decades of service, PreachIt.org has directly influenced more than 300,000 pastors and indirectly touched millions of lives worldwide. By harnessing the reach of the internet, the ministry has carried tools and resources into places where traditional methods could not go — including remote villages, persecuted regions, and churches with limited access to training or leadership support.

“When we launched PreachIt.org in 2002, I just wanted to help pastors who were exhausted and overwhelmed,” said Pastor James Smith of Valparaíso, founder and President. “Today, to see thousands of leaders strengthened and millions of people blessed as a result is a testimony to the faithfulness of God and the hunger of His people.”

A Global Toolbox for Ministry

PreachIt.org offers thousands of practical and Spirit-filled resources, including:

- Sermon outlines, Bible studies, and small group topics
- Sermon graphics, worship media, and video countdowns
- Pastoral leadership blogs and mentoring materials
- Church administration helps and encouragement tools

By providing these resources, PreachIt.org equips pastors, ministers, and churches to thrive in their calling, raise up leaders, and impact their communities.

Extending the Mission:
OpportunityHope.org

In addition to PreachIt.org, Pastor James Smith also leads

OpportunityHope.org, a humanitarian initiative that brings education, clean water, housing, and sustainable income projects to impoverished communities. From orphan care in India to water wells and food projects in rural villages, Opportunity Hope extends hope to the most vulnerable where resources are scarce.

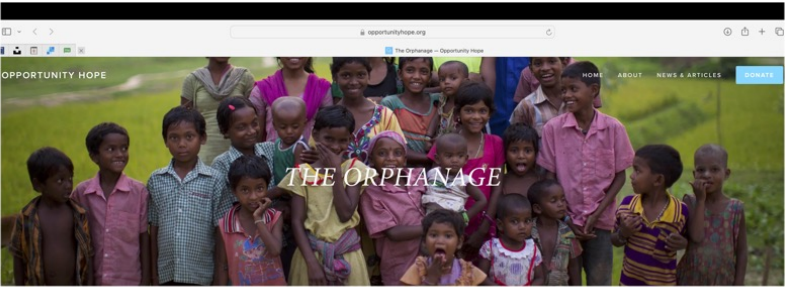

About Pastor James Smith

Since 2013, we have led an effort to house and rescue at risk children in the state of West Bengal, India.

OUR MISSION

We exist to give hope around the world. To impact the lives of children who are at risk of becoming homeless, abducted for their body parts, being sold into the sex slavery trade, becoming an indentured slave, disease and even starvation. Our mission is simple, reach as many children as we can and give them a hope they wouldn't have had otherwise. A hope of daily food, shelter, education, love and protection from the elements that would otherwise cause their lives to become hopeless.

Through OpportunityHope.org, the ministry of Pastor James Smith and PreachIt.org reaches vulnerable children—offering food, care, and education in impoverished communities.
