LONDON, ENGLAND, UNITED KINGDOM, September 30, 2025 /EINPresswire.com/ -- Paris-based French-Swedish artist and writer [Vicky-May Giraud](#) announces the release of [Assembly Not](#)

[Required](#) (2025), a bold work of literary fiction that unites prose and painting in a striking multidisciplinary form.

Already exhibited across Europe, Giraud now extends her vision onto the page, inviting readers into a world of contradictions, glamour, and reinvention.

“

Assembly Not Required is a stage where contradictions perform — unapologetic, glamorous, and dangerously honest”

Vicky-May Giraud

Assembly Not Required is told across 24 chapters and an epilogue, unfolding like a series of cinematic vignettes — daring, glamorous, and mysterious. Neither memoir nor

traditional novel, it blends fiction, poetry, and visual art to explore themes of identity, transformation, and duality.

The book also features a selection of Giraud’s own paintings, offering readers a visual dialogue alongside the narrative — a seamless extension of the artistry that defines her collections *Duality & Reflection*, *Marked*, *Queens of the Deck*, and *Vogue 3000*.

Assembly Not Required (2025) is available for purchase through the artist’s website: www.vmgperceptions.com.
