The Insurance Insider US Honors awards celebrates outstanding achievement from the US wholesale, specialty and (re)insurance markets, with awards in 25-plus categories. Winners at the Insurance Insider US Honors are recognized for their commitment to advancing their respective markets and chosen by a panel of esteemed industry experts.

PLM is dedicated to ensuring employees feel valued by offering a variety of skill development opportunities that include continuing education, cross-functional experience and time in the field. Last year, 50 PLM employees earned new insurance designations and more than 100 employees attended industry trade shows.
