

# Dr. Eric Nepute Unveils BioLimitless 2.0

ST. LOUIS, MO, UNITED STATES,

September 25, 2025 /

EINPresswire.com/ -- On September

15th, [BioLimitless](#) announced the

official launch of BioLimitless 2.0, a

next-generation self-care operating

system created to transform how

individuals understand, approach, and

manage their personal well-being.

Combining proven protocols, digital

innovation, personalized resources,

[and advanced AI tools](#), BioLimitless 2.0

represents a new approach to personal

well-being.

BioLimitless announced the launch of the world's first self-care operating system.

Unlike traditional approaches that focus narrowly on treatment after problems arise, BioLimitless 2.0 empowers people with the tools and knowledge to proactively control their well-being and address challenges at their source. The system integrates AI-powered support, the

enhanced BioLimitless DNA app, and a library of resources designed to meet individuals where they are and guide them step-by-step toward improved vitality. The platform also includes interactive programs such as the BioQuest Bootcamp, a 30-day reset led by Dr. Eric Nepute, as well as live sessions that connect users directly with him for ongoing guidance.

“

For too long, people have been left in the dark when it comes to understanding their own health.

BioLimitless 2.0 is about changing that.”

*Dr. Eric Nepute, Founder of  
BioLimitless*

“Self-care is the real healthcare,” said Dr. Eric Nepute, founder of BioLimitless. “For too long, people have been left in the dark when it comes to understanding their own

health. BioLimitless 2.0 is about changing that. We are giving people clarity, support, and practical steps they can follow. To me and my team, it's not just a launch; it's the beginning of a global movement.”

## [About BioLimitless and Dr. Eric Nepute](#)

BioLimitless is a next-generation wellness company founded by Dr. Eric Nepute, a nationally recognized expert in functional medicine and holistic health. The company is rooted in the

philosophy that the body is designed to heal when supported by science-backed, root-cause solutions. Through advanced DNA testing, practitioner-grade supplements, and personalized health programs, BioLimitless empowers individuals to take control of their wellness — from detox and gut health to cellular repair and neurological support.

Dr. Nepute brings over two decades of clinical experience and has helped thousands of patients shift from symptom management to true lifestyle transformation. As a sought-after speaker, educator, and health advocate, he continues to lead the conversation around self-care as the new healthcare — and BioLimitless is the platform making that vision a reality.
