“

People aren't just looking for straight teeth, they're looking for a treatment experience that fits their lifestyle”

Dr. Jeremy

Dr. Jeremy and Dr. Melissa, co-owners of Magic Fox Orthodontics, have seen a growing demand for smile makeover solutions in the area, particularly among adults and teens seeking discreet and effective treatments. [The clinic's services include Invisalign® clear aligners and Iconix® aesthetic brackets](#)—treatment options that are both clinically effective and appearance-conscious.

“People aren't just looking for straight teeth, they're looking for a treatment experience that fits their lifestyle,” said Dr. Jeremy. “Fountain Valley families and professionals want local care that respects their time, delivers great results, and helps them feel confident throughout the process.”

Modern Smile Makeover Services Now More Accessible

Located just off Beach Boulevard near the 405, Magic Fox Orthodontics is uniquely positioned to serve the daily needs of residents in Fountain Valley and Huntington Beach, particularly in the following communities:

- Central Fountain Valley – Family-friendly neighborhoods near Mile Square Park
- Talbert Village – Close proximity to regional medical centers and schools
- Newland & Adams – Well-established residential zones with commuter access

Patients seeking a smile makeover in Fountain Valley can expect high-quality care that blends modern technology with a personalized approach. The practice offers:

- Invisalign® [Clear Aligners – A discreet, flexible option for adults and teens](#)
- Iconix® Aesthetic Brackets – Sleek, champagne-colored brackets with low profile and high strength
- Digital Treatment Planning – Precision-driven diagnostics and outcome visualization
- Customized Treatment Plans – Every patient receives a plan tailored to their unique orthodontic goals

“Creating a great smile is about more than aesthetics,” said Dr. Melissa. “It’s about improving oral health, boosting confidence, and making people feel like themselves again.”

Meeting Local Demand with Personalized Solutions

According to the American Association of Orthodontists, [adult orthodontic treatment has grown significantly over the past decade](#), with one in three patients now over the age of 18. This trend is mirrored in Fountain Valley, where residents are increasingly seeking localized, expert-driven care without traveling far from home.

As Dr. Jeremy and Dr. Melissa explain, today’s patients want more than just traditional braces—they want convenience, discretion, and experienced guidance throughout the process.
