

# Ortonyx Launches 3D Knitted Orthopedic Braces for Comfort and Support

*New collection combines breathable 3D knitted materials with medical-grade support for back, shoulder, wrist, and knee braces.*

BOCA RATON, FL, UNITED STATES,  
September 25, 2025 /

EINPresswire.com/ -- ORTONYX®, a

trusted provider of orthopedic

supports and braces, today announced

the launch of its innovative 3D Knitted Braces Collection. This new product line incorporates advanced 3D knitted elastic materials designed to combine medical-grade support with unmatched comfort, breathability, and durability.

## ORTONYX®

### GET SUPPORT WITH COMFORT

Trusted orthopedic supports and braces brand since 2016.

“

Our 3D knitted braces deliver medical-grade support with breathable comfort, giving people the confidence to move, recover, and stay active without compromise.”

*Maksym Tsanko, CEO of  
ORTONYX®*

The collection features a wide range of orthopedic solutions, including [back braces](#), [shoulder support sleeves](#), [wrist and thumb braces](#), and [knee supports](#), each available in multiple support levels to address different needs. The modern 3D knitting process allows the fabric to adapt naturally to body contours, providing targeted compression while maintaining optimal airflow and flexibility. This makes the braces suitable for post-surgical recovery, injury rehabilitation, sports activities, and daily preventative use.

By introducing breathable 3D knitted technology,

ORTONYX® continues its mission to create orthopedic devices that empower people to live stronger, recover better, and move with confidence.

About ORTONYX®

Since 2016, ORTONYX® has been dedicated to creating orthopedic devices that make a difference. Headquartered in Boca Raton, Florida, ORTONYX® is an FDA-registered brand trusted by over one million customers worldwide. Its mission is to support health, recovery, and active

lifestyles with products that deliver comfort, durability, and medical-grade effectiveness.
