

netWell Highlights Year-round, Affordable Healthcare Cost Sharing Ahead of 2025–26 Open Enrollment

As 2025–26 Open Enrollment nears, netWell highlights year-round, affordable healthcare cost sharing with trusted, values-based support.

AUSTIN, TX, UNITED STATES,

September 26, 2025 /

EINPresswire.com/ -- As the 2025 Open

Enrollment Period (OEP) approaches,

many Americans are confronting the

prospect of higher premiums and

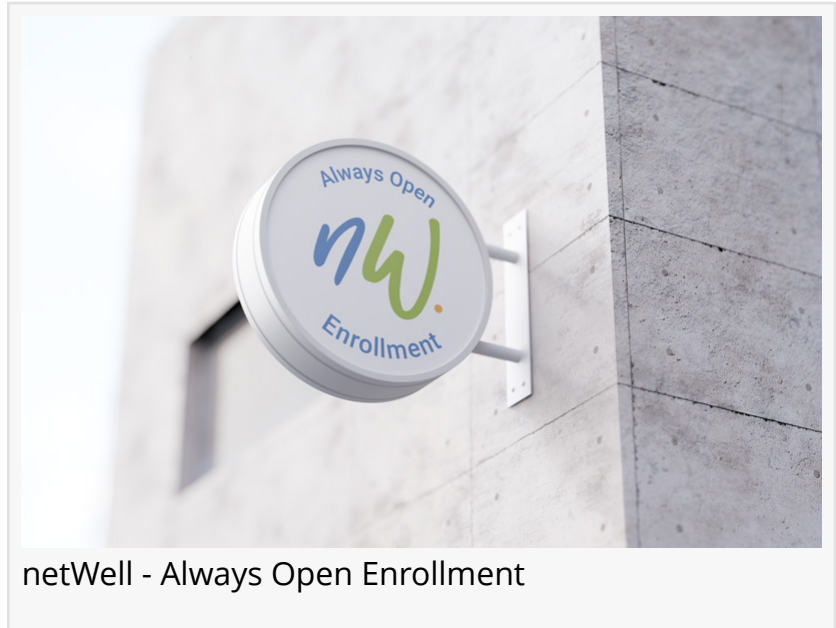

reduced options under traditional

health insurance plans. In this

environment, non-profit healthcare

sharing ministries offer more flexible

alternatives, combining affordable pricing, quality customer service, and innovative partnerships to make healthcare more accessible.

netWell - Always Open Enrollment

This year's Open Enrollment Period, running from November 1, 2025, to January 15, 2026, is the

designated time for Americans to evaluate and enroll in traditional ACA-compliant health insurance. However, for those seeking a more flexible and cost-effective solution, healthcare sharing ministries like netWell™ offer a viable alternative with always-open enrollment, allowing new members to join at any time.

“Our mission is to provide an affordable and reliable solution that empowers families and individuals to take control of their healthcare,” said Bob Malone, CEO and Chairman of the Board at netWell™. “Our consistent growth is a testament to the trust our members place in

us. They see that we offer a real, values-based alternative that delivers on its promises of

transparency, affordability, and excellent service.”

How netWell supports members

netWell's success is built on a foundation of key differentiators that address common pain points in the healthcare landscape:

Predictable costs: Membership options are designed with clear, upfront Member Commitment Portions (MCPs) so out-of-pocket responsibilities are easier to plan.

Quality Customer Service: Members consistently highlight the transparency, friendly service, and supportive community, often noting how netWell went above and beyond to help them navigate complex situations.

Innovative Vendor Partnerships: To further enhance its value proposition, netWell™ has created strategic partnerships to provide additional benefits at no extra cost:

- Goodbill: This partnership offers hospital bill negotiation services, helping to reduce out-of-pocket costs even for expenses not eligible for sharing. Goodbill's experts review bills for errors and negotiate on behalf of members, potentially reducing costs by up to 95%.
- Labcorp: As netWell's exclusive national laboratory network provider, Labcorp offers an expansive network of over 2,000 patient service centers and a wide range of diagnostic services, combining convenience with affordability and quality.
- netWell RX: This free drug program provides access to over 1,000 quality maintenance and urgent care medications, delivered directly to members' homes or available for quick pickup at over 70,000 retail pharmacies.
