

Laki Naturals Launches Innovative Jet Lag Product to Combat Travel Fatigue

Natural energy during the day, better sleep at night - just stick and go

LOS ANGELES, CA, UNITED STATES, September 26, 2025 /EINPresswire.com/ -- [Laki Naturals](#) announced the launch of its innovative [Jet Lag AM/PM Patch](#), a groundbreaking two-step topical

“

Travel disrupts our natural rhythms and can affect us for days. Our patches provide support when you need it most, energy during the day and recovery at night, all through a simple application.”

Tiffany Lerman

patch system designed to help travelers maintain their energy and optimize rest cycles after travel. The plant-based solution addresses the growing need for convenient, natural travel wellness products as global travel gets ready for the holiday season.

Revolutionary Two-Patch System Addresses Day and Night Travel Challenges

The Jet Lag AM/PM Patch system features two distinct formulations:

AM Patch: Formulated with energizing botanicals including

Yerba Mate, Rhodiola Rosea, L-Theanine, Holy Basil, and Vitamin B12 to support natural energy and mental focus throughout the day.

PM Patch: Contains calming ingredients such as Valerian, Lemon Balm, Passionflower, Lavender, and Arnica to promote relaxation and help users wind down after travel. "Travel disrupts our natural rhythms in ways that can affect us for days," said Tiffany Lerman, CEO at Laki Naturals. "Our AM/PM patch system provides targeted support when you need it most, energy during the day and restful recovery at night, all through a simple application."

Key Product Benefits:

Convenient Application: Simply peel, stick, and go – no pills, powders, or drinks required

Travel-Friendly Design: Slim, discreet patches perfect for carry-on luggage

Long-Lasting Support: Each patch provides up to 12 hours of continuous support

Premium Manufacturing: Made in the USA in an ISO9001-certified facility

Hypoallergenic Formula: Latex-free, water-resistant adhesive suitable for sensitive skin

The Jet Lag AM/PM Patch product launch has been supported by [Space Command Amazon Agency](#), which assisted Laki Naturals in optimizing their Amazon marketplace presence, ensuring

travelers can easily access this innovative wellness solution.

Growing Market Demand for Natural Travel Solutions

As travels begin to increase for the holidays, the demand for natural, convenient travel wellness products will surge. The jet lag market is experiencing significant growth as travelers seek effective alternatives to traditional pharmaceutical options. The patch eliminates the hassle of carrying multiple bottles or remembering to take pills at specific times, while providing consistent, plant-based support throughout your journey.

Availability and Pricing

The Jet Lag AM/PM Patch is now available for purchase on Amazon and directly from the company website at Laki Naturals. Each package contains both AM and PM patches designed for comprehensive travel support.
