NATIONAL PORTAL SWIFTLY
BREAKS 100,000 MONTHLY VIEWS

Trailblazing real estate technology
company sees ongoing momentum
with a 28.4% increase in viewership compared to the previous year.

HouseJet's national real estate portal has officially reached 100,000 monthly views for the first time, demonstrating the company's rising status as one of the fastest-growing real estate search portals in the United States. This accomplishment represents their record-breaking growth, with a 28.4% increase in viewers compared to the previous year.

“

Since launching the portal, we have been working diligently to ensure HouseJet can help find someone's next home. Our amazing development team has been updating and improving every single month.”

Mike Oddo, HouseJet CEO

“Since launching the portal, we have been working diligently to ensure HouseJet can help find someone's next home. Our amazing development team has been updating and improving every single month, and it's great to see it paying off,” said Mike Oddo, founder and CEO of HouseJet.

HouseJet has been making waves in the real estate

marketplace since its establishment in 2013, and launched its groundbreaking national portal in March of 2024. This benchmark of 100,000 monthly viewers demonstrates HouseJet's commitment to delivering innovative technology to homebuyers while simultaneously providing a refined experience through their national portal.

Looking forward, HouseJet is committed to developing the software that was originally built in-

house to carry out its mission of helping homebuyers find their future homes.
