

Southeast Addiction Highlights Comprehensive Addiction Treatment Services in West Palm Beach

Southeast Addiction Florida Drug & Alcohol Rehab highlights the urgent need for personalized care addressing substance use and mental health challenges together

LAKE WORTH BEACH, FL, UNITED STATES, September 26, 2025

/EINPresswire.com/ -- [Southeast Addiction Florida Drug & Alcohol Rehab](#)

in West Palm Beach is underscoring the importance of accessible, individualized treatment for those struggling with substance use and co-occurring mental health disorders.

Located in Lake Worth Beach, just minutes from the shoreline, the center provides a safe and supportive environment for recovery. With residential detox, partial hospitalization (PHP), and intensive outpatient programs (IOP), [Southeast Addiction](#) offers a full continuum of care to meet patients at every stage of their recovery journey.

The West Palm Beach location offers evidence-based care and holistic therapies, recognizing that healing requires more than treating symptoms. Services include:

Medication-Assisted Treatment (MAT): Helping patients safely navigate withdrawal and early recovery.

Relapse Prevention: Equipping individuals with coping skills and continued support after

treatment.

Family Programming: Involving loved ones in the recovery process to rebuild healthy relationships.

Holistic Therapies: Focusing on the whole person—mind, body, and spirit—in a calming, non-clinical environment.

In addition to treatment, Southeast Addiction provides a strong alumni program that fosters community, connection, and accountability long after patients complete their programs.

Addiction is not a one-time event, but an ongoing journey. With its dedicated team, flexible treatment options, and compassionate approach, Southeast Addiction's Florida center serves as a safe haven for individuals and families seeking long-term recovery.

About Southeast Addiction

Founded in 2019, Southeast Addiction has helped individuals and families across the country break free from addiction and rebuild healthier lives. With locations in multiple states, the organization provides tailored treatment plans, evidence-based care, and lifelong support for those affected by substance use and co-occurring disorders.
