EINPresswire.com/ -- IDI Consulting, a

leading Pittsburgh-based consulting firm, announces its sponsorship of the 2025 American Heart Association Heart Walk in Pittsburgh, taking place on October 4th. This annual event brings together thousands from across the region to raise awareness of heart disease and stroke while generating vital support for research and education.

As a sponsor of the Community Impact Corner, IDI Consulting plays a vital role in the event's success by supporting increased CPR training and other engagement efforts throughout the duration of the race. This sponsorship reflects IDI Consulting's ongoing commitment to well-being and supporting the city of Pittsburgh.

"We believe in the power of awareness and prevention, which is why we're proud to support the American Heart Association in its mission to fight heart disease and stroke," said William Thomas, Managing Partner of IDI Consulting. "Cardiovascular disease claims nearly a million lives each year, and we are committed to making a positive difference for our community, our clients, and our team."
