About the Moment Foundation:

The Moment Foundation, a Nevada-based 501(c)(3), is on a mission to curate perspective-shifting experiential positivity (MOMENTS) by providing

aviation experiences for combat veterans, first responders, and injury survivors. These transformative flights honor their bravery, promote healing and offer a chance to reconnect with joy and possibility. In addition, the foundation extends its impact through animal rescue efforts partnering with organizations such as Canine Companions to support service dog programs and transporting animals from high-kill shelters into lives of love and comfort. Whether uplifting people or protecting paws, The Moment Foundation combines aviation, adventure and compassion to create meaningful moments of joy, healing and resilience for both individuals and communities.
