

# Garage Rock Pioneers The Fifth Estate Unleash Second Music Video from Acclaimed Album 'Then and Now'

*"Junkies To The News" Premieres  
September 10*

STOCKTON, NJ, UNITED STATES,  
September 27, 2025 /  
EINPresswire.com/ -- Legendary rock  
band The Fifth Estate is set to release  
the second official music video from  
their critically praised album *Then and  
Now*. The video for the track "Junkies To  
The News" will premiere on September  
10 at 12:00 PM EDT via Deko  
Entertainment's YouTube channel.

A standout track from the album,  
"Junkies To The News" delivers a biting  
commentary on media obsession and  
cultural overload, wrapped in the  
band's signature blend of garage rock  
grit and modern edge. The video  
promises a visually arresting  
experience that amplifies the song's message with raw intensity and cinematic flair. The song  
becomes anthemic much in the way Oasis's do at times. But they are not like Oasis. Oasis is like  
them. They were first.

The *Then and Now* Album, released earlier this year, marks a triumphant return for The Fifth Estate, bridging decades of rock history with fresh, resonant storytelling. With contributions from Grammy-winning guitarist Paul Nelson, the album has been hailed as "one of the most timeless rock and roll records out these days".
