MELBOURNE , VICTORIA, AUSTRALIA,  
October 1, 2025 /EINPresswire.com/ --  
Alone On A [Synthwave](#) Highway - New  
Giveaway [Compilation](#) CD Celebrating All  
Things Synthwave Music. After Parx-e  
Web Zine & No Frills Distribution did a  
giveaway compilation CD which was all  
about the record label Eonian Records.  
Thoughts were turned into trying to get  
a compilation CD up about Synthwave  
Music. After Chris first attempt a few  
years earlier to make it happen, this  
time it was a lot easier to get people on  
board.

Sixteen tracks of some of the best  
Synthwave and Synth Pop going around.  
It took a lot longer than usual to get it up and running. But the end result has been something  
that Chris is quite proud off.

Chris' friend the amazing Michelle Ellen Camarata is the cover model for the disc like she has  
been for previous releases. In addition the artwork was done with AI using Kling AI. The results  
were excellent. Even tho times have changed with regards to Physical Media. Chris still believes  
in making something that peoples can hold. But making it special and unique in limited numbers  
that is one of a kind. 100 to be exact. They will be able from the 3rd of October 2025 from Parx-  
e.com. Once they are gone, they are gone.
