

South Beach Wellness Center Introduces Red Light Therapy in Wesley Chapel, FL

A trusted Lutz/Wesley Chapel clinic expands whole-body care with cutting-edge Red Light Therapy

WESLEY CHAPEL, FL, UNITED STATES, October 7, 2025 /EINPresswire.com/ -- South Beach Wellness Center, a leading provider of integrative health and wellness services in the Lutz and Wesley Chapel community, is excited to announce the addition of [Red Light Therapy](#) to its comprehensive treatment offerings.

This innovative service joins the clinic's existing specialties in Direct Primary Care (DPC) and Hormone Therapy, further supporting its mission to provide personalized, whole-body wellness solutions.

A Breakthrough in Non-Invasive Wellness

Red Light Therapy is a non-invasive treatment that uses low-level light to stimulate cellular regeneration, improve circulation, and reduce inflammation. Clients have experienced benefits including:

- * Enhanced skin health and improved collagen production
- * Reduced joint pain, muscle soreness, and stiffness
- * Accelerated recovery from exercise or injuries
- * Boosted energy and metabolism support
- * Immune system regulation and improved overall wellness

"Adding Red Light Therapy to our clinic allows us to give patients a powerful, non-invasive option for healing and rejuvenation," said Maribel Dixon, APRN at South Beach Wellness Center. "It complements our core services—like direct primary care, hormone optimization, and vitamin therapies—by giving patients another effective, drug-free way to take control of their health."

South Beach Wellness Center: Holistic Care for Your Health

Conveniently located in Lutz/Wesley Chapel, FL, South Beach Wellness Center has become the trusted choice for patients seeking science-based, customized wellness care. The clinic's team of providers specializes in a wide range of services, including:

- * Direct Primary Care (DPC): Convenient, affordable healthcare with a focus on preventive
