

Arizona Moon Festival 2025, A Celebration of Culture, Family, and Community Announced

The Arizona Moon Festival 2025 is a social and cultural celebration bringing six major Asian communities together on Saturday, October 4, in Chandler, Arizona.

CHANDLER, AZ, UNITED STATES, September 29, 2025 /EINPresswire.com/ -- Mark your calendars for an unforgettable evening under the moonlight as the Arizona Moon Festival 2025 returns on Saturday, October 4, from 5 PM to 11 PM at the Saigon Center (2051 N. Arizona Ave, Chandler, AZ 85225). With free admission and activities for all ages, this vibrant celebration of Asian heritage promises to be Arizona's biggest cultural festival of the year.

Hosted by the Vietnamese Community of Arizona in collaboration with five other major Asian communities — Chinese, Filipino, Korean, Thai, and Cambodian — are coming together with local organizations to host the largest Arizona Moon Festival this year.

Known as the Moon Festival or Tet Trung Thu in Vietnamese, this beloved holiday has been celebrated for centuries across Asian cultures as a time to give thanks, reunite with loved ones, and admire the full harvest moon. Traditionally marked by lantern processions, mooncakes, and cultural performances, the festival is a symbol of unity, gratitude, and shared heritage.

This year's event promises to be more exciting than ever, featuring a rich lineup of live performances, including mesmerizing lion and dragon dances, traditional cultural dances from Vietnamese, Chinese, Filipino, Korean, Thai, and Cambodian communities, and martial arts showcases. A Parade of Cultures will pay homage to the diversity and unity that make this festival so special, while live music, a guitarist, and a DJ will keep the energy high.
