

SCCG Announces Partnership with Cafrino Gaming to Distribute White Label Poker Platform Worldwide

Together, the companies will expand the distribution of Cafrino's proprietary iGaming Poker Technology Platform to online casinos worldwide.

LAS VEGAS, NV, UNITED STATES, September 30, 2025 /EINPresswire.com/ -- [SCCG Management, a global leader in iGaming advisory](#) and business

“

Poker has always been one of the most powerful engagement drivers in gaming, and Cafrino has developed a platform that makes it more accessible, flexible, and scalable than ever before.”

Stephen Crystal - Founder & CEO, SCCG

development with more than 33 years of experience in the gaming industry, today announced a strategic partnership with [Cafrino Gaming](#), a U.S.-based iGaming developer and publisher. Together, the companies will expand the distribution of Cafrino's proprietary iGaming Poker Technology Platform to online casinos worldwide.

With a proven track record of supporting over 2 million players, Cafrino's poker technology has powered some of the most recognizable names in gaming and entertainment, including WWE, Hustler Casino, South Point Casino, and CardPlayer Poker. Designed to be both brand-

and currency-agnostic, the Cafrino platform is built to serve operators across every category of online gaming, from Social Gaming and Free-to-Play models to Crypto Casinos and Real Money Gaming.

The partnership leverages [SCCG's expansive global ecosystem](#)—encompassing tribal casinos, commercial operators, technology innovators, and investors worldwide—along with its decades of experience guiding companies through licensing, compliance, and growth strategy. By integrating Cafrino's platform into its managed services offerings, SCCG will provide strategic business development, operator introductions, and sponsorship referral services to ensure Cafrino achieves broad adoption across both U.S. and international markets.

Stephen Crystal, Founder & CEO of SCCG Management, commented:

“Poker has always been one of the most powerful engagement drivers in gaming, and Cafrino has developed a platform that makes it more accessible, flexible, and scalable than ever before.

Their success with major brands demonstrates both the quality and versatility of their solution. By integrating Cafrino's technology into our managed services offerings and leveraging our 33+ years of global gaming experience, SCCG is uniquely positioned to accelerate their growth and deliver transformative value to operators across the world."
