Funfull Brings Year-Round Fun to Life With Autumn Mazes and Pumpkin

This autumn, local treasures are stepping into the spotlight. Families can stroll through pumpkin patches, lace up skates for themed nights, or enjoy community celebrations. One highlight is the Boo! at the Zoo! event at 3 Palms Zoo in Townsend, Delaware, where kids can meet nocturnal animals under lantern lights, roast marshmallows, and explore a whimsical, not-too-spooky setting. The event runs Friday and Saturday nights from September 26 through November 1, 7:00–9:00 p.m., giving families plenty of chances to make it part of their fall tradition.

“

I've always believed that strong family bonds are made over shared activities and adventures. After all, the essence of family bonding is the time you spend together.”

Funfull*

Experiences like these, combined with year-round options like trampoline parks, arcades, and family-friendly movie nights, show how Funfull keeps every season filled with connection.

“Autumn is when families settle into routines, but it’s also when the most magical traditions begin,” said Vishal Patel, CEO and Founder of Funfull. “From visiting a pumpkin

patch to seeing a new movie together, the FunPass makes it simple to keep those moments flowing, without the stress of planning or high costs.”

Funfull’s network stretches across Delaware, Maryland, Virginia, and beyond, offering access to both community favorites and national partners like Altitude Trampoline Park, Hersheypark, Cinemark, Regal, and AMC. By making it easy to find fun places to visit, the FunPass ensures parents never run out of ways to spend meaningful time with their kids.

“Every season has its own magic,” Patel added. “Summer brings adventure, fall brings tradition, and with Funfull, families never have to choose just one—they get it all, all year long.”
