

# Advantage Credit and Elphi Partner to Deliver Seamless Credit Reporting for Lenders

*Advantage Credit and Elphi partner to streamline credit reporting, enabling lenders to access reports seamlessly within Elphi's platform.*

NEW YORK, NY, UNITED STATES,  
September 30, 2025 /

EINPresswire.com/ -- [Advantage Credit](#),

a leading provider of credit reporting solutions, and [Elphi](#), a fintech SaaS company offering a next-generation mortgage loan origination platform, have announced a strategic

partnership designed to simplify and enhance the credit reporting experience for mortgage lenders.

Advantage Credit - Elphi Partnership

The integration between Advantage Credit and Elphi allows lenders to order and access credit reports directly through Elphi's platform. This streamlined process eliminates manual steps, reduces errors, and enables faster decision-making. By embedding Advantage Credit's trusted services into Elphi's workflow, lenders gain reliable credit data without leaving their origination environment.

“

Advantage Credit is proud to partner with Elphi to deliver innovative, seamless credit solutions within a modern loan origination environment”

*Patrick Tynan, Executive Vice President for Sales Operations*

"We are excited to partner with Advantage Credit to bring their market-leading credit solutions into Elphi's platform," said Daniel Gottesmann, COO of Elphi. "This integration removes friction from the origination process and gives lenders the data they need instantly, improving both

efficiency and the borrower experience."

"Advantage Credit is proud to partner with Elphi to deliver innovative, seamless credit solutions within a modern loan origination environment," said Patrick Tynan, Executive Vice President for Sales Operations at Advantage Credit. "Together, we're empowering lenders with tools that not

only streamline operations but also set the stage for the future of digital mortgage lending."
