

Florida Injury Law Firm, Kogan & DiSalvo, Continues to Bring Awareness this Breast Cancer Awareness Month

The Kogan & DiSalvo firm has dedicated this month to highlighting the importance of breast cancer research and screenings.

BOYNTON BEACH, FL, UNITED STATES, October 2, 2025 /EINPresswire.com/ -- As a leading injury law firm, [Kogan & DiSalvo](#), P.A., demonstrates its commitment to organizations that contribute to the betterment of our community. With October approaching, the firm is proud to support Breast Cancer Awareness Month. Given that 1 in 8 women in the United States will be affected by breast cancer during their lifetime, Kogan & DiSalvo aims to raise awareness and encourage proactive action.

To show its support, the firm has dedicated this month to highlighting the importance of breast cancer research and screenings by distributing pink ribbon lapel pins to clients. The firm has long been committed to assisting those injured or harmed due to the negligence of others, and this dedication extends to supporting individuals affected by breast cancer.

"Raising awareness within our community is where we can make a meaningful difference," states founding shareholder [Darryl B. Kogan](#). "We understand the physical, emotional, and financial challenges involved, and we want those impacted to know we stand with them." In honor of

Breast Cancer Awareness Month, Darryl B. Kogan will be launching an [awareness campaign](#) for WFLX throughout October. By shining a light on this crucial issue within our community, we can inspire greater understanding and show our unwavering support for those affected by this challenge.

Participating in this global initiative throughout October helps bring attention to the need for breast cancer awareness, screening programs, and research efforts. Our offices in Boca Raton, Plantation, and Stuart have incorporated interactive pink illuminating lights as a visual tribute for the week of October 6th. Promoting awareness through this campaign encourages our communities to take the first step toward early detection and timely treatment of breast cancer.

Raising awareness within our community is where we can make a meaningful difference. the physical, emotional, and financial challenges involved, we want those impacted to know we stand with them.”
