“

We've always said color is power and now it's got claws. Claw Colors are for anyone who wants to scratch the surface of self-expression and leave a mark! This is beauty with bite!"

*Tish & Snooky Bellomo*

Claw Colors are inspired by the iconic hair color shades .

"These polishes, join Manic Panic's existing "Manic-Cure" line of Male Polish®, and "are bold, unapologetic, and totally punk." - Tish Bellomo

"Claw Colors aren't just fierce but they're fearless! 15% of profits go to charity, so every brush of color is a swipe at cruelty and injustice. This is beauty with bite!" – Snooky Bellomo

Each "glamtastic" color is a tribute to the dye-hard fans

who live loud and color louder.

The 5 Claw Colors include:

- After Midnight™ Color
- Purple Haze™ Claw Color
- Queen Bitch® Claw Color
- Tramp® Claw Color
- Venus Envy® Claw Color

"This isn't your average mani." - Snooky Bellomo

Claw Colors are vegan, cruelty-free, and made to last through mosh pits, midnight rituals, and every glamorous moment in between. Whether you are rocking chipped tips or full-on reflective rainbow claws, these shades are your new armor.

And who's behind the madness? None other than Queens of Creative Color Tish & Snooky Bellomo, "The Fairy Godmothers of Punk," and co-founders of Manic Panic, an independently, minority and woman-owned business. Since 1977, they've been turning heads and flipping norms upside down. Tish & Snooky were the first to bring vivid hair-color, chaos, and compassion to the beauty world. Their legacy is loud, proud, and painted in every bottle.

"Go ahead and paint it black, paint it neon, paint it LOUD, and let your freak flag fly." - Snooky Bellomo
