freshest of ingredients. 33 guest rooms, including four Signature Suites, range from 250 to 2,000 square feet and each is distinctive in décor, and equipped with the finest amenities, as well as a mix of original Inn furnishings and up-to-date pieces. In collaboration with The Birdsong Project, in-room record players and LPs are available inviting guests to relax to the sounds of nature and artistry during their stay. These record players and LPs are in the Carriage House suites, newly renovated Fenway Suites and Signature Suites, which are all named after birds. Breakfast, lunch, and dinner are enjoyed in the casually elegant Restaurant where the culinary team works closely with local growers, farmers, and fishmongers, while developing their seasonal take on New England coastal cuisine. The dining room is cozy, with views of the pond and the lawn, and adjacent The Garden Room bar is the spot for casual bistro-style dining. In warmer months, al fresco dining is offered on The Deck and around the pool, and beach snacks, sandwiches and pizza are served at the Bathhouse. S'mores are presented every night in any season (weather permitting).
