EINPresswire.com/ -- Leading Southern California law firm Antonyan Miranda is proud to announce the opening of a new office in [Temecula](#), California. This expansion into Riverside County marks a major step in the firm's continued growth, broadening its reach to better serve clients across the [Inland Empire](#) and beyond.

Antonyan Miranda was formed in 2015 when Ilona Antonyan and Timothy Miranda merged their individual law practices. The firm has since become one of the region's most respected names in high net worth and complex family law litigation and appeals. The new Temecula office fortifies Antonyan Miranda's Southern California presence, offering Inland Empire families the firm's signature brand of excellence in divorce, custody, domestic violence, and all family law matters.

"From the beginning, we built Antonyan Miranda on a commitment to avoid mediocrity—in our work, our results, and our client service," said Founding Partner Timothy Miranda. The Temecula office will be led locally by Andrew Rosenberry, Certified Family Law Specialist and Partner, who will serve as Managing Attorney for the Inland Empire. Rosenberry, together with a

full-service litigation team including associate attorneys and an in-house forensic CPA, will ensure Inland Empire clients have access to the same depth of resources and expertise available at the firm's San Diego and Orange County locations.

"Temecula is more than an expansion," added Rosenberry. "It's an extension of our mission to provide innovative, relentless advocacy to clients across Southern California. We're proud to bring our team's experience and results-driven approach to Riverside County."
