HULL, MA, UNITED STATES, September 30, 2025 /EINPresswire.com/ -- [Wicked Fabulous](#), an LGBTQ+-owned small business based in Massachusetts, has announced that all [jewelry](#) items sold through its online store will now be infused with [Reiki](#) energy prior to shipment.

The process is conducted by co-owners David Goulart and his husband Marc, who are both certified Reiki practitioners. According to the company, Reiki infusion is performed by hand before packaging, with the intention of adding a layer of energetic balance and harmony to each piece.

Reiki Infused Jewelry

Reiki, a Japanese technique for stress reduction and relaxation, is widely used as a complementary practice in holistic wellness. By incorporating Reiki into the preparation of its jewelry, Wicked Fabulous positions each item as both an accessory and an object with symbolic healing qualities.

Key Details

Wicked Fabulous is incorporating Reiki energy into every jewelry item before shipment.

Reiki infusion is performed personally by the company's co-owners, both certified Reiki practitioners.

The approach aligns with the brand's focus on natural stone jewelry, wellness symbolism, and LGBTQ+-owned small business representation.
