Treatment center accepts leading insurance providers to make evidence-based care more accessible to Californians

SONOMA, CA, UNITED STATES, October 2, 2025 /EINPresswire.com/ -- Align Recovery Centers, a behavioral health provider dedicated to holistic, evidence-based treatment, today announced expanded insurance coverage to ensure greater access to care for individuals and families impacted by substance use disorders.

With this expansion, Align Recovery Centers now accepts Blue Shield of California, United Healthcare/Optum, Kaiser, Aetna, Cigna Evernorth, Blue Cross Blue Shield (BCBS), Veterans insurance, and Claritev (formerly MultiPlan). The center is also set to be in-network with ComPsych in the near future. While not currently in-network with Health Net, Align can accept PPOs with out-of-network (OON) benefits.
