

Universal Manufacturing & Design, LLC Announces Trademark Registration of Lock N Mesh Guard

*U.S. Patent and Trademark Office grants
Registration No. 796981 for Lock N Mesh
Guard*

PALM HARBOR, FL, UNITED STATES,

October 14, 2025 /EINPresswire.com/ -- [Universal Manufacturing & Design](#), LLC is pleased to announce that the United States Patent and Trademark Office has officially granted trademark registration number 796981 for its [Lock N Mesh Guard](#).

“

This recognition reflects our dedication to developing high-quality, trusted solutions for our customers, while also protecting the integrity of our brand as we continue to grow.”

Jon C Sjostedt, CEO

The Lock N Mesh Guard is a proprietary solution designed to deliver enhanced safety, durability, and efficiency across a range of industrial and commercial applications. The trademark registration reinforces the company’s commitment to innovation and provides important brand protection as Universal Manufacturing & Design expands its presence in the marketplace.

"Securing the trademark for the Lock N Mesh Guard marks an important step in strengthening our intellectual property portfolio," said Jon C. Sjostedt, CEO of Universal

Manufacturing & Design, LLC. "This recognition reflects our dedication to developing high-quality, trusted solutions for our customers, while also protecting the integrity of our brand as we continue to grow."

The registration provides Universal Manufacturing & Design with exclusive rights to the Lock N Mesh Guard name, ensuring that the brand is safeguarded as demand for reliable, high-performance safety solutions continues to increase.
