SCOTTSDALE, AZ, UNITED STATES, October 2, 2025 /EINPresswire.com/ -- [Chicago AHRMM](#) invites Healthcare Supply Chain professionals to its upcoming Lunch & Learn featuring [ChristianaCare](#) Head of Supply Chain and [hunterAI](#) CEO:

Luis Forero, Head of Supply Chain, ChristianaCare (formerly RUSH University Medical Center)
Jeffrey Heenan-Jalil, Chief Executive Officer & Founder at hunterAI

Together they will present a peer-led case study on how ChristianaCare leveraged AI-powered analytics to recover historic and eliminate future hidden financial leakage, accelerate returns, and lay the foundation for long-term supply chain transformation.

Key themes:

- AI is Now – SaaS-enabled analytics delivering value without deep IT integration.
- Fast ROI – How AI in supply chain can show results in weeks, not years.
- Scalable Beyond Finance – From AP Anomalies to Rebates & GPO Admin Fees, AI unlocks multi-category savings.
- Pragmatic & Low Risk – Cost-effective AI use cases are deployable without straining internal IT resources.
