

# EVO VC & Startups Launches Global Community for High-Growth Startups and Investors

*Connecting high-growth startups, growing companies, and global investors through mentorship, capital access, and community.*

MIAMI, FL, UNITED STATES, October 2, 2025 /EINPresswire.com/ -- [EVO VC & Startups](#), a global startup and investor community, announces its official launch connecting high-growth startups, growing companies, and international investors with mentorship, strategic support, and global opportunities. Founded in April 2025 by Gozel Akeyeva (Founder & CEO) and Lena Levine (Co-Founder), EVO builds on years of entrepreneurial leadership and technology expertise to accelerate innovation and sustainable growth worldwide.

## For Investors

EVO provides curated access to startup investment opportunities and growing companies that have passed early validation. Investors benefit from:  
Access to vetted, tech-driven ventures.

Transparent sourcing and community-driven due diligence.

Portfolio support through mentorship and global connections.

## For Startups & Growing Companies

EVO equips founders and executives with the resources to scale:  
Preparation for investment and direct connection to investors.

Support in scaling teams, products, and operations internationally.

Mentorship from experts and access to a partner network.

#### Community & Hosts

EVO is more than a network - it's a [global startup ecosystem](#) of entrepreneurs, investors, and experts. To expand its reach, EVO is inviting ecosystem leaders to join as EVO Hosts - representatives who organize startup events, connect local innovators to international networks, and act as catalysts for growth.

#### Recent Investor Events

EVO has already demonstrated traction with exclusive Investor Luncheons in South Florida, connecting founders and investors around high-growth opportunities:

CelWel™ (biotech wellness) - attracted 35+ investors with strong interest in a \$500K convertible note.

Lifepulse Corporation (health tech) - spotlighted wearable solutions for cardiovascular monitoring.

ODIX Malware-Free Files (AI cybersecurity) - showcased during its \$2M SAFE round, highlighting rising demand for enterprise security.

These events show EVO's mission in action: connecting investors with curated innovation across biotech, health tech, and AI-driven security.

#### Quote from Founder & CEO, Gozel Akeyeva

"EVO is the next step in the evolution of startup ecosystems. Communities have shown they can ignite innovation - now we are channeling that energy into a global movement where startups grow, investors thrive, and innovation scales worldwide."

#### About EVO VC & Startups

Founded in April 2025, EVO VC & Startups is a global community connecting startups, growing companies, and investors at various stages of growth. EVO's mission is to accelerate innovation through collaboration, transformation, and meaningful impact - building bridges between local ecosystems and international opportunities.
