

# XOGO Launches 4th-Generation Media Player: The XOGO Mini Max

SPOKANE VALLEY, WA, UNITED STATES, October 2, 2025

/EINPresswire.com/ -- XOGO Digital Signage today announced the launch of its 4th-generation media player, the XOGO Mini Max. The new device is a compact, Android-based digital signage player designed for performance, affordability, and ease of use.

## Product Highlights:

- 4K video playback at 30FPS and 1080p playback at 60FPS.
- Comes with XOGO Player software preinstalled.
- Connectivity options: Wi-Fi 6 and ethernet.

The XOGO Mini Max plugs into the HDMI port on any TV or display. Users simply enter a PIN code in the XOGO Manager app to register the device and start sending playlists"

*Chad Brown*

- Universal power supply for the US, UK, Europe, and Australia.
- Remote control included for quick setup.
- Affordable price: USD \$69.99.

## Content & Compatibility

Like all XOGO-compatible devices, the Mini Max supports multiple content formats including images, videos, widgets and URL-based content like infotainment feeds, Power BI charts and social media feeds. The Mini Max plays all of

the latest 4K content, as well as older content in 1080HD resolution.

## Availability

Worldwide shipping is available. Order via the XOGO website, or Amazon Prime in the US. Amazon UK and additional marketplaces are launching soon.

## Fast Facts

- The XOGO Mini Max is a powerful yet low-cost digital signage player.
- It is available worldwide for just \$69.99.

- Designed for easy setup, with a remote control and international power supply.
- Positive customer reviews highlight affordability and performance.
