

IMPORTANT NOTICE TO KINGSWOOD CAPITAL CUSTOMERS: INSPIRED HEALTHCARE CAPITAL INVESTORS URGED TO TAKE IMMEDIATE ACTION

Contact the Law Firm of KlaymanToskes for a Free and Confidential Consultation to Discuss Pursuing a Potential Recovery of Your Losses

HOUSTON, TX, UNITED STATES, October 2, 2025 /EINPresswire.com/ -- National investment loss and securities law firm [KlaymanToskes](#) urges investors who purchased [Inspired Healthcare Capital](#) funds or DSTs through Kingswood Capital Partners or any other brokerage firm to contact the law firm immediately at 888-997-9956 for a free and confidential consultation to discuss [potential recovery options](#).

On September 12, 2025, Inspired Healthcare Capital sent investors a letter stating "We regret to inform you that no distributions will be made at this time..." This follows a \$1.5 million lawsuit (25vecv05053) filed against Inspired Healthcare Capital and its CEO Luke Lee alleging that they misrepresented their financial condition in connection with seeking a loan. The loan is currently in default with no response from IHC to demands for repayment.

Securities attorney Lawrence L. Klayman comments, "In my 30 years of experience, companies do not typically recover from these signs of financial distress. It is critical that Inspired Healthcare Capital investors explore their legal options as soon as possible". Mr. Klayman continued to explain that brokerage firms who recommended these investments may be held liable for investor losses.

KlaymanToskes is currently representing Inspired Healthcare Capital fund and DST investors in matters involving brokerage firms and financial advisors who unsuitably recommended these high-risk investments. FINRA arbitration may offer a path for those seeking to recover IHC losses from firms such as Kingswood Capital Partners. Contact attorney Lawrence L. Klayman today at 888-997-9956 or by email at investigations@klaymantoskes.com for a free and confidential consultation.
