

FixRunner Introduces Free AI WordPress Builder for One-Click Site Creation & Hosting

FixRunner launches a Free AI WordPress Builder - create, preview, and host your site with no upfront cost or lock-in. Start now at fixrunner.com.

DOVER, DE, UNITED STATES, October 3, 2025 /EINPresswire.com/ -- [FixRunner](https://fixrunner.com), a leader in WordPress solutions, proudly announces the launch of its [Free AI WordPress Builder](#) — a revolutionary tool designed to change how websites are created and hosted. This innovative platform eliminates the traditional requirement of paying for hosting before seeing a live website. Now, anyone can build a professional, AI-powered WordPress site, preview it for 48 hours, and decide where to host it — with FixRunner or a provider of their choice.

Breaking Barriers in Website Creation

FixRunner's new AI WordPress Builder removes the barriers that have long complicated website creation. No upfront fees. No hidden charges. No commitment to a hosting provider. Users gain full control to design, preview, and host their site on their terms.

Whether you want a blog, a business site, or a portfolio, FixRunner delivers a professional website powered by AI — quickly, easily, and without technical skills.

Why FixRunner's AI WordPress Builder is a Game-Changer
Dover, Delaware – [03/October/2025] – FixRunner, a leader in WordPress solutions, proudly announces the launch of its Free AI WordPress Builder — a revolutionary tool designed to change how websites are created and hosted. This innovative platform eliminates the traditional requirement of paying for hosting before seeing a live website. Now, anyone can build a professional, AI-powered WordPress site, preview it for 48 hours, and decide where to host it — with FixRunner or a provider of their choice.

Creating a professional website is now as simple as answering a few questions. The AI builds a tailored site complete with layouts, images, and content — ready in minutes. No design expertise or coding is required. Best of all, it's free to start. There's no credit card needed and no hidden costs.

See Before You Commit

Traditionally, you must pay for hosting before viewing your website. FixRunner removes this uncertainty by offering a 48-hour demo. This lets you explore your site, test layouts, and

experience the final product before making hosting decisions — ensuring complete confidence in your choice.

Complete Ownership & Flexibility

FixRunner ensures your website remains yours. Once built, you can download it and host it wherever you wish. There are no restrictive contracts or lock-ins. You can switch hosting providers anytime without hassle. It's your website — your rules.

Flexible Hosting Options

For those who want to go live instantly, FixRunner offers a one-click hosting solution on managed servers. However, unlike most builders, you're not locked in. You can opt for FixRunner hosting or choose another provider that meets your needs.

Risk-Free Experience

With no hosting commitment or upfront payment, FixRunner gives users the freedom to experiment. Build your site, explore its features, and decide later. This no-pressure model makes website creation accessible to everyone.

Empowering Users Through AI Technology

"FixRunner is committed to transparency and user empowerment," said Sam Mulaim, CEO of FixRunner. "Our AI WordPress Builder removes the barrier of upfront hosting costs, enabling creators to preview their website before committing. This is about putting control back into the hands of business owners, bloggers, and creators everywhere."

Whether you're an entrepreneur, small business owner, blogger, or creative professional, FixRunner provides an intuitive AI-driven platform that transforms website creation into a fast, affordable, and stress-free process.
