“

Traveling and directing this movie was truly the best experience of my life. I loved being able to blend real tourist reactions with the written plot to create a seamless travel comedy adventure.”

romantic comedy feature AN AMERICAN ABROAD, which is now available to rent/own on North American digital HD internet, cable, and satellite platforms, as well as on DVD, starting October 3, 2025.

In AN AMERICAN ABROAD, viewers get to visit Greece, Turkey, South Africa, France, and Amsterdam in this hilarious rom-com about a free-spirited travel host and her uptight boyfriend's wild love story. Marcia's lust for adventure has Arnold on a walking safari, swimming with sharks and wine tasting in France, but will it all be too much for him when she really gets weird? Arnold is a bit

conservative, a bit square, and Marcia is into psychics, dancing in the street, and getting her Minister's License just for the wine discount. As Marcia's travel show takes the two of them through 7 exotic countries, what at first seemed like a dream come true, might turn into a relationship nightmare. Will they be able to find enough common ground to get them through the insanity and realize true love or will the crew mutiny before they get the chance? As their clashing personalities come to light, their relationship is put to the test. Will their love for each other prevail, or will they end the trip alone?

Directed by Marcia Kimpton, AN AMERICAN ABROAD was co-written by Marcia Kimpton, Brian Gross and Justin McAleece. AN AMERICAN ABROAD was also co-produced by Marcia Kimpton, Justin McAleece and Diederik de Man. The featured cast includes Marcia Kimpton ('Marcia'), Brian Gross ('Arnold'), and Jacy King ('Kat').

“Traveling around the world with my film crew and directing this movie was truly the best experience of my life,” said filmmaker Marcia Kimpton. “I am especially proud of the

cinematography that was captured by the McAleece Brothers and how each country became a character in the story I wrote with my co-lead, Brian Gross. I loved being able to blend real tourist reactions with the written plot to create a seamless travel comedy adventure."

Freestyle Digital Media negotiated the deal to acquire AN AMERICAN ABROAD directly with the filmmakers.
