

Intelligent Group Limited Announces Strategic Investment in Fine Glory Holdings Limited

HONG KONG, October 3, 2025 /EINPresswire.com/ -- Intelligent Group Limited (Nasdaq: INTJ), a Hong Kong-based financial public relations company today announced its wholly-owned subsidiary, Intelligent Joy Limited ("IJL"), has entered into a subscription agreement to invest in Fine Glory Holdings Limited (the "Target Company"), the operator of "Aether Education", a premium educational consulting institution specializing in cross-border academic advancement and holistic student development.

Under the agreement, IJL will acquire a minority stake in the Target Company (valued at \$20 million USD) by subscribing to Class B Non-Voting shares.

This investment aligns with Intelligent Group's strategy to diversify its portfolio into high-growth sectors and leverage synergistic opportunities. The Target Company, with its expertise in cross-border educational services, is poised for significant expansion. It is led by shareholders and directors with extensive experience in corporate governance, particularly in serving on boards of Hong Kong-listed companies. This investment provides Intelligent Group with a strategic channel to access high-net-worth clientele, thereby strengthening its ability to serve listed companies and investors and creating cross-platform value within its capital markets ecosystem.

The investment proceeds will be utilized by the Target Company to support its operational expansion and service development, further solidifying its position in the high-end education sector and enhancing its competitive edge.

Ms. Wai Lau, Director & Chairlady of the Board of Directors, commented, "We are thrilled to partner with Fine Glory Holdings, which exemplifies innovation in the educational consulting space. This investment underscores our commitment to identifying high-potential ventures that align with our vision. We are confident that together we can unlock new opportunities and deliver enhanced value to our shareholders and clients."
