Her message of resilience and authenticity moved the room.

Special Guests and Surprise Moments

The night's energy soared with a violin performance by Lucero Diaz from the USC Upward Bound mentor program, introduced by Professor Alejandro Ruiz, reminding attendees of the power of education and mentorship.

A surprise appearance by Moe Rock, CEO of the Los Angeles Tribune, further underscored the event's impact. Michele A. Wilson, co-host of the evening and a C-level executive of 90210 Enterprise, shared, "I always value the opportunity to support Moe Rock's vision for media that uplifts and informs. This gathering reflected that mission beautifully."

Claudiu Raymond, dear friend and 'brother' to Ashkan Tabibnia, added a further touch of transformation and connection when he shared more about Ashkan's parents, which perfectly fit into the transformational message Lesley Nase had opened in the room.
