“Home Now,” was written in Nashville, TN late June, 2025 when Mark was doing a series of writer's nights in Music City. He wrote the song and performed it live the very same night the song was written. Mark revealed that the song was written in less than one hour with one of his recurring co-writers. Sometimes, when a song wants to be born, it is the most natural thing in the world and produces

itself organically with the skilled hands and voice of a musical doctor. “HOME NOW,” needed to be here said DiPietro.” It is food for the soul and a hug of hope to anyone still looking for their home. Premier Musician said this about Mark's music: "His ability to craft music to accompany lyrics and make them swirl around each other is uncanny. A true gifted soul, Mark delivers songs about destiny, life, living and dying. His music creates an ear worm that will ride shotgun in your brain for days. Great songs do that."
