

# North Point Exteriors Elevated to James Hardie Alliance Preferred Contractor Status

*Doylestown Exterior Remodeling Company Earns Recognition from Industry-Leading Siding Manufacturer*

DOYLESTOWN, PA, UNITED STATES, October 7, 2025 /EINPresswire.com/ -- North Point Exteriors, a trusted provider of exterior remodeling solutions in Doylestown and surrounding communities, announced today that it has been elevated to [James Hardie®](#) Alliance Preferred Contractor status. This achievement represents a notable advancement for the company, following its previous designation as a James Hardie Select Contractor.

The James Hardie Alliance Preferred Contractor program recognizes installation professionals who demonstrate exceptional expertise, commitment to quality, and dedication to customer satisfaction. Only a select number of contractors nationwide achieve this distinguished status.

"We are honored to receive this recognition from James Hardie, the leader in fiber cement [siding](#)," said Brian Kennelly of North Point Exteriors. "This achievement reflects our team's unwavering commitment to superior craftsmanship and our dedication to providing homeowners with the highest quality exterior solutions."

## Advantages for Homeowners

Homeowners who choose a James Hardie Alliance Preferred Contractor benefit from several important advantages:

- Enhanced Warranty Protection: Access to upgraded warranty coverage on James Hardie products, providing greater peace of mind and long-term protection for their investment
- Proven Expertise: Assurance that their contractor has met rigorous standards for product knowledge, installation techniques, and customer service
- Specialized Training: Confidence that installers have completed advanced training programs specific to James Hardie products
- Quality Assurance: Work performed by professionals who adhere to the highest industry standards and best practices
- Trusted Partnership: Connection to a contractor who maintains a strong relationship with James Hardie, ensuring access to the latest products, techniques, and support
