A Mission to Make AI Simple and Human:

Unlike most AI events that focus on tools and tech jargon, Robbins and Graziosi built the AI Advantage Summit around one goal: helping people thrive, not just survive, in the age of artificial intelligence.

"AI is here to stay," Graziosi said. "But this Summit isn't about chasing shiny tools it's about showing people how to use them with clarity, confidence, and purpose."

Each session is designed to be accessible to anyone, no coding skills or tech background required. Attendees can join from their laptop or phone and will leave with actionable systems to save time, simplify workflows, and spark growth immediately.

A World-Class Lineup of Innovators -- [The AI Advantage Summit features a roster of global leaders](#), entrepreneurs, and AI pioneers who are shaping the future of work and innovation, including:

- Marc Benioff – Founder and CEO of Salesforce, sharing how to lead through change and build with purpose.
- Allie K. Miller – Leading AI investor and educator, revealing the tools that matter most in today's fast-moving market.
- Igor Pogany – Founder of My AI Advantage, teaching small-business owners how to turn AI into their ultimate growth partner.
- Rachel Woods – Founder of The AI Exchange, known for making AI practical and profitable for creators and entrepreneurs.
- Arthur Brooks – Harvard professor and bestselling author, exploring how fulfillment and technology can coexist in modern life.
- And other top AI Experts from all around the world

Together, they'll deliver a balance of mindset, strategy, and implementation giving attendees a clear path from confusion to confidence.

What Attendees Can Expect -- Over three focused days, participants will discover how to:

- Reclaim 5–10 hours a week by automating repetitive tasks.
- Use AI to brainstorm ideas, write content, and create faster without losing their voice.
- Find hidden growth opportunities inside their existing business.
- Build unshakable confidence in an uncertain economy.

Each day builds on the last:

Day 1 focuses on clarity and belief, Day 2 on strategy and momentum, and Day 3 on implementation and real-world application.

"AI is the greatest amplifier of human potential we've ever seen," Graziosi said. "Our goal is to make sure everyone, not just large companies, gets to benefit from it."

How to Join:

The AI Advantage Summit runs live November 6–8, broadcasting worldwide. [Anyone can register for free at AIAdvantageSummit.com.](#)

Registered participants will receive access links, reminders, and exclusive event materials to help them implement what they learn immediately.
