

Royal 4 Systems and BWISE Solutions Announce Joint Participation at AAPEX 2025

Empowering Automotive Distributors with Smarter, Faster, and More Connected Supply Chain Solutions

LONG BEACH, CA, UNITED STATES, October 7, 2025 /EINPresswire.com/ -- [Royal 4 Systems](#), a global leader in Warehouse Management and Supply Chain Solutions, and [BWISE Solutions](#), a trusted provider of ERP and logistics technology, are proud to announce their joint participation at AAPEX 2025, the premier event for the automotive aftermarket industry.

Taking place in Las Vegas, November 4 – 6, 2025, AAPEX brings together manufacturers, distributors, and technology providers from across the automotive supply chain. Attendees will have the opportunity to connect with Royal 4 and BWISE to explore how their combined expertise in WISE WMS and SAP Business One can transform warehouse and business operations for automotive aftermarket companies.

Booth Details:

Booth Number: A1053

At AAPEX 2025, Royal 4 and BWISE will showcase:

- WISE WMS – a proven, scalable Warehouse Management System delivering real-time visibility, automation, and operational excellence.
- SAP Business One powered by BWISE – a flexible ERP solution designed to streamline financials, operations, and supply chain management.

Royal 4 and BWISE Infinity Logo

- Integrated Solutions – demonstrating how WISE WMS and SAP Business One work together to optimize inventory accuracy, improve order fulfillment, and reduce operational costs.
- Industry Expertise – tailored solutions and case studies from the automotive aftermarket sector.

"WISE WMS is a directed WMS that complements your system of record by efficiently managing all your warehouse operations and inventory so that you always know what you have, where it's at, and whether it's sellable"

Tim Schultz – Royal 4 Systems, Regional Sales Manager

"We're thrilled to join forces with Royal 4 Systems at AAPEX 2025 to showcase how innovation and integration are transforming the automotive supply chain. By combining the power of WISE WMS and SAP Business One, we're giving automotive distributors and suppliers the tools they need to operate smarter, faster, and more efficiently — all while driving measurable growth and customer satisfaction."

Mady Lessing – BWISE Solutions, Marketing Director

About Royal 4 Systems

For over four decades, Royal 4 Systems has been providing innovative supply chain solutions that empower businesses with the tools to optimize their warehouse and logistics operations. Its flagship product, WISE WMS, is trusted worldwide by manufacturers, distributors, and 3PL providers.

About BWISE Solutions

BWISE Solutions delivers ERP and warehouse management technologies that drive efficiency, visibility, and profitability. As an SAP Business One partner, BWISE provides integrated business solutions that streamline operations and enable long-term growth across industries.
