Private Japanese Lesson A private Japanese lesson is a service that allows students to take one-on-one lesson with a Japanese language instructor.

Due to recent rises in prices, currency fluctuations, and increasing payment processing fees, it has become difficult to maintain the current pricing. The revised pricing will be used to ensure appropriate instructor compensation, cover higher operational and system costs, and continue enhancing features and support to improve student satisfaction.

Accordingly, purchases at the current price (¥4,000 per ticket) will be available until October 31 (Fri), 23:59 Japan time. Existing tickets and confirmed reservations will remain valid under the current conditions with no additional charges.

[AOJ Language School](#) will continue to prioritize quality and trust, ensuring continuous improvement to provide services that directly contribute to their students' success. The school encourage students who are planning to continue or start private lessons to purchase their lesson tickets before the price revision takes effect on November 1, 2025. Tickets purchased before this date will remain valid at the current price, offering a great opportunity to save while securing your future lessons. Don't miss this chance to continue your Japanese learning journey at the current rate!
