NEW YORK, NY, UNITED STATES, October 16, 2025 /EINPresswire.com/ -- Let's Talk™: Thank you for joining us today, Justin! One will read on your website, www.JUSTINTIMEBaseball.com, "At JustinTime Baseball, we believe every young player thrives when supported with the right tools, encouragement, and environment. That's a very impressive mission statement!

Before we talk about the various programs and services that your provide, such as Concierge

Justin Sherman, Founder & Owner, JUSTINTIME BASEBALL

Parent Pods, Winter Baseball Programs, and the opportunities to meet current and former Major League Baseball Players, please give us a brief company history and tell us about your journey.

Justin Sherman: JustinTime Baseball started in a backyard with one coach with a group of children learning skills. Fast forward five years, we are a company with a staff of over thirty that has morphed into a youth development, enrichment, educational baseball/softball training company. We are partners with over twelve little leagues and recreational departments. We have a constant emphasis with our staff on professional development. Not a single coach steps onto our field with our being fully trained on the delivery of instruction, the management of young children as well as skill development. We have a highly intricate curriculum and method of teaching for our students.

Let's Talk™: Please give us an overview of the lessons, programs and events that you provide.

Justin Sherman: JustinTime Baseball has a menu of options, we are not your typical training company. We are a youth development, enrichment company. Each weekly program is specifically designed on skill development along with educational principles to keep each child engaged and loving playing the game. We have weekly classes, one on one lessons as well as teammate lessons where you can bring a friend.

We offer programs for boys and girls, in baseball and softball, throuhout Westchester, NY in Armonk, Bedford, Harrison, Rye, Rye Brook and many other areas.

"

Let's Talk™: We understand that you are a youth ambassador with Major League Baseball youth initiative Playball.

Justin Sherman: I have the honor and privilege to be a Youth Ambassador for Major League Baseball's youth initiative PlayBall (https://www.mlb.com/play-ball).

Let's Talk™: The Fall season is coming to an end and we understand that you also provide Winter baseball program options. Care to elaborate?

Justin Sherman: We are planning for a robust winter. We

rent facilities all over Westchester County. We also rent the Mount Vernon Underdome and have three fantastic instructional gameplay programs. Kids will play actual games indoors during the winter time from January to March. We have three age divisions. Rookies ages 4-7 on Sundays, Intermediate for ages 8-9 years old on Saturdays at 2pm, then the upper classman division for ages 10-12 years old.

Let's Talk™: The Concierge Parent Pod Program sounds very unique and interesting. How does it work?

Justin Sherman: Parents have the opportunity to create their own specific specialized program for all seasons. One parent or more can put their own group of kids and tailer their own program and locations vary. This is a fun way to keep kids together and kids learn in a team and group environment.

I'm happy to share this testimonial from Kelly, a Mom in New Rochelle:

"If you want your child to learn the fundamentals of the game, you need to work with Coach Justin and his team. He does his ,"Coach Justin magic"and gets the boys' heads in the game and pulls out their true talent."

And, this testimonial from a Westchester Dad:

"Justin's programs are high quality and really, really fun. My baseball-loving sons have participated in JustinTime baseball clinics for years and have learned so much. Justin and his coaches know how to run a good program. Highly recommend JustinTime Baseball!"
