Trade shows are a crucial part of marketing strategies, as they allow brands to present their products, target customers, and find new business partners. In the recent years, there has been continuous increase in the popularity of trade shows, hence, they are mostly organized on huge venues. Furthermore, grand ceremonies include conferences and corporate galas. In team-building events, the major aim is to build a strong relationship and trust among the team members. Furthermore, induction programs are held in the beginning of the month the most common start date for newly hired employees.

As per the [Europe events](#) market trends, based on the type, the meeting and conference segment dominated the market in 2020. Event companies and service providers are recognizing the impact of business meetings on revenue and brand. The incentive is estimated to be the

fastest-growing segment. Incentive programs event companies in the Europe are increasing their focus on providing their incentive travelers with complete designed packages and deals for enhancing the experience of travelers.

Therefore, the corporate sector offers various opportunities for the event management companies to organize events, contributing to huge revenue generation, which, in turn, augments the growth of the Europe events market. The growth of the events industry is majorly driven by upsurge in frequency of corporate meetings, conferences, tradeshow/exhibitions, and other events.

The Europe events market is highly fragmented owing to the presence of numerous players in the market. These market players are constantly engaged in various developmental strategies such as acquisition, mergers, partnership, business expansion, and new product launches, which increases the intensity of competitive rivalry in Europe and helps them to exploit Europe events market opportunity.

Based on the SMEs, the small and medium enterprises segment was the leading segment, garnering a market share of 74.0% in 2020. The huge presence of the small and medium sized enterprises and the increased volume of corporate events conducted by them has propelled the growth of this segment. Small and medium enterprises are said to be the backbone of the European economy.

According to the Europe events market forecast, based on the service, the hybrid or virtual event enabler segment is expected to grow at a highest CAGR of 10.9% from 2021 to 2030. This growth is attributable to the surging adoption of the ICT technologies among the event planners and the corporate houses in Europe. Moreover, the COVID-19 pandemic is the major factor behind the rapid growth of this segment. In 2020, the location rental segment dominated the market, garnering a market share of 31.3%.

The major players profiled in the report are Compass Group PLC, Dorier Group, Elior Group, Europa International, Event Security Management Ltd., Intelligent (UK Holdings) Limited, London Filmed, Martin Audio Ltd, The Creative Engagement Group, and Titan Security Europe.
