

North America DC Charger Market share, Market trends, and forecasts to 2040.

North America DC Charger Market Size, Share & Industry Analysis, By Power Output, By Connector, By Location, and Country Forecast, 2025-2040

PUNE, MAHARASHTRA, INDIA, October 9, 2025 /EINPresswire.com/ -- Fortune Business Insights published a research publication on "[North America DC Charger Market](#) Insights, to 2032" with enriched with self-explained Tables and charts in presentable format. In the Study you will find new evolving Trends, Drivers, Restraints, Opportunities generated by targeting market associated stakeholders. The growth of the North America DC Charger Market was mainly driven by the increasing R&D spending across the world.

“

EV adoption is experiencing significant growth in North America, driven by a combination of factors, including consumer interest, governmental policies, and advances in EV technology.”

Fortune Business Insights

The Global North America DC Charger Market Study, a comprehensive analysis of the market that spans more and describes the product and industry scope as well as the market prognosis and status for 2025-2032. The marketization process is being accelerated by the market study's segmentation by important regions. The market is currently expanding its reach.

The North America DC Charger market size was valued at USD 842.3 million in 2024. The market is projected to grow from USD 1,040.6 million in 2025 to USD 26,152.5 million

by 2040, exhibiting a CAGR of 24.0% during the forecast period.

Scope of the Report of North America DC Charger Market

The North America DC Charger Market have evolved and become more focused on training and technology over the past few years, with the goal of improving service levels. The availability of North America DC Charger Market management software and GPS tracking will boost the market in forecasted period.

The Major Key Market Players Covered in this Report:

Tesla (U.S.)

ChargePoint Inc. (U.S.)

Blink Charging Co (U.S.)

Electrify America (U.S.)

EVgo (U.S.)

EVBox (Netherlands)

Francis Energy (U.S.)

ABB (Switzerland)

United Chargers Inc. (U.S.)

Kempower (Finland)

The titled segments and subsection of the market are illuminated below:

North America DC Charger Market Size, Share & Industry Analysis, By Power Output (Upto 150 kW and Above 150 kW), By Connector (NACS, CCS, and CHAdeMO and Others), By Location (Destination and Enroute), and Country Forecast, 2025-2040

Market Trends:

Enhancement in the Better Automotive Model

Availability of North America DC Charger Market Software with GPS Tracking Technology

Opportunities:

Expansion of Logistics and Transportation.

Growth in Automotive & Transport Segment in Emerging Countries

Market Drivers:

The adoption of new emission standards is significantly contributing to the growth of the North America DC Charger Market. The regulatory bodies of various countries are coming up with new emission guidelines to reduce pollution. The imposed mandatory emission control is directing automotive North America DC Charger Market manufacturers to manufacture more optimized to

fulfil production demand as it is a vital component of the internal combustion engine that is directly linked to emissions. Hence, the adoption of new emission standards is expected to propel the growth of the North America DC Charger Market going forward.

North America DC Charger Market Research Objectives:

- Focuses on the key manufacturers, to define, pronounce and examine the value, sales volume, market share, market competition landscape, SWOT analysis, and development plans in the next few years.
- To share comprehensive information about the key factors influencing the growth of the market (opportunities, drivers, growth potential, industry-specific challenges and risks).
- To analysis the with respect to individual future prospects, growth trends and their involvement to the total market.
- To analysis reasonable developments such as agreements, expansions new product launches, and acquisitions in the market.
- To deliberately profile the key players and systematically examine their growth strategies.

Global North America DC Charger Market -Regional Analysis

North America: United States of America (US), Canada, and Mexico.

South & Central America: Argentina, Chile, Colombia, and Brazil.

Middle East & Africa: Kingdom of Saudi Arabia, United Arab Emirates, Turkey, Israel, Egypt, and South Africa.

Europe: the UK, France, Italy, Germany, Spain, Nordics, BALTIC Countries, Russia, Austria, and the Rest of Europe.

Asia: India, China, Japan, South Korea, Taiwan, Southeast Asia (Singapore, Thailand, Malaysia, Indonesia, Philippines & Vietnam, etc.) & Rest

Oceania: Australia & New Zealand

Research Methodology

Our research methodology combines both qualitative and quantitative approaches to provide you with a thorough market analysis. We begin by gathering data from trusted industry reports and databases (secondary research), followed by primary research through surveys and interviews with key experts. We then apply advanced statistical tools to analyze the data, uncover trends, and assess market dynamics. Additionally, we use market segmentation and Porter's Five Forces analysis to evaluate competition. This approach ensures that the insights we provide are

reliable, actionable, and tailored to support your decision-making process.

Frequently asked questions:

What is the global sales value, production value, consumption value, import and export of North America DC Charger Market?

Who are the global key manufacturers of the North America DC Charger Market? How is their operating situation (capacity, production, sales, price, cost, gross, and revenue)?

What are North America DC Charger Market opportunities and threats faced by the vendors in the global North America DC Charger Market Industry?

Which application/end-user or product type may seek incremental growth prospects? What is the market share of each type and application?

What focused approach and constraints are holding the North America DC Charger Market?

What are the different sales, marketing, and distribution channels in the global industry?
