“For more than a decade, our team has helped businesses keep operations running with reliable roof repairs, replacements, and maintenance,” said Konrad Schimmel, Business Development Manager at WNC Roofing. “Joining

OneSpartanburg, Inc. is our next step in serving the Upstate. We're excited to meet area companies we haven't connected with yet and find practical ways to protect their facilities for years to come.”

WNC Roofing specializes in low-slope and flat roofing systems—including PVC, TPO, EPDM, coatings, metal and gutters and waterproofing solutions—for commercial and industrial facilities. The company emphasizes firm appointment times, clear communication, safety, and photo documentation to minimize on-site disruption with a commitment to quality customer service. They also launched their Spartanburg office this year.

“OneSpartanburg's network makes it easier for great partners to find each other,” added Konrad Schimmel of WNC Roofing. “Whether it's a leak repair, full roof replacement, or a proactive

maintenance plan, we're here to help Spartanburg businesses stay focused on what matters—running their operations, not managing buckets."
