

Former Startup Executive's New Book Explores How Empathy Is a Leader's Greatest Asset

"Empathy at Work: Building Better Businesses Through People-First Leadership" by Christopher Kaufman is released with Forbes Books.

NEW YORK, NY, UNITED STATES, October 14, 2025 /EINPresswire.com/ -- "Empathy at Work: Building Better Businesses Through People-First Leadership" by Christopher Kaufman is now available [on Amazon](#) and at [major booksellers](#). The book is published with Forbes Books, the exclusive business book publishing imprint of Forbes.

"Empathy at Work" explores a vision for organizational success rooted in humanity, emotional intelligence, and trust. Chris Kaufman, cofounder and former chief creative officer of [StockX](#), applies his leadership experience and academic research to argue that empathy is not only a moral imperative but a business advantage.

Kaufman shares stories from his own career and real-world business case studies to show how emotionally intelligent leadership can dismantle toxic workplace norms. He outlines how leaders can cultivate growth mindsets, make meaningful hiring decisions, uphold accountability, and build sustainable cultures rooted in shared values. With clear takeaways and ready-to-action strategies, "Empathy at Work" helps both aspiring and established leaders create resilient, high-performing organizations that prioritize people—not just profits.

"This book is all about people-centricity. That starts with you," Kaufman said. "If you're going to create a people-centric culture, one where humanity becomes a part of the workplace, you need to demonstrate your own humanity. That means letting yourself be human—vulnerable, fallible,

questioning, seeking, learning—instead of putting on the guise of being all knowing and all powerful (which none of us are). Above all, it requires empathy.”

"Empathy at Work" offers the tools and mindset shifts needed to lead with heart, inspire innovation, and foster lasting success.

About the Author

As the cofounder and former chief creative officer of StockX, a revolutionary global e-commerce platform, Christopher Kaufman helped drive the company's growth to over 30 million users and a valuation of \$3.8 billion. Kaufman's personal journey as an executive inspired him to explore the ways in which leaders succeed and fail. Through a combination of firsthand experience and academic research, he's discovered the key to unlocking lasting business success: empathy. In *Empathy at Work*, Kaufman shares what he's learned, providing practical advice for leaders who are ready to lead from the heart. In doing so, he proves that creating space for vulnerability in leadership—while not always easy—can go a long way in helping both people and organizations thrive.

About the Forbes Books

Founded in 2016 in partnership with Advantage Media Group, Forbes Books is the exclusive book publishing imprint of Forbes Media.
