Armored Pit-Bull VX SWAT Truck

The IACP 2025 Conference is the largest and most impactful policing event of the year, offering public safety officials a platform to explore innovative technologies and solutions. Alpine Armoring's booth will provide attendees with an up-close look at these state-of-the-art vehicles, each engineered to excel in high-risk scenarios such as SWAT missions, hostage rescues and tactical response.

## Featured Vehicles

□ Pit-Bull VX® .50 Cal Tactical Armored SWAT Truck: Armored to Level A12 protection, the Pit-Bull VX® is built for rapid response and tactical operations. This next-generation armored vehicle combines heavy-duty ballistic protection with advanced maneuverability, making it ideal for SWAT teams facing critical missions.

□ Pointer® Tactical Armored SWAT Van: Armored to Level A9 protection, the Pointer® is a versatile

armored SWAT personnel carrier designed for secure team transport and deployment, offering enhanced armor and customizable configurations to meet diverse operational needs.

□ Armored Ford Explorer Interceptor PPV SUV: Armored to Level A9 protection, this armored version of the Police Interceptor features a reinforced body to withstand high-velocity impacts, rear prisoner transport capabilities, and an upgraded suspension for exceptional maneuverability.

“We are excited to attend IACP 2025 and showcase our latest armored vehicles, which are designed to meet the evolving needs of law enforcement agencies,” said Fred Khoroushi, president, Alpine Armoring. “Our team looks forward to engaging with attendees, discussing their specific requirements, and demonstrating how our vehicles provide superior protection and reliability in the field.”
