

Hope for Homes in Action: \$4,380 Raised to Keep Local Families Housed

*A Night That Moved the Needle:
Community Raises \$4,380 for Housing
Security at LEV27 Fundraiser*

NEWTOWN, PA, UNITED STATES, October 7, 2025 /EINPresswire.com/ -- On the evening of June 11, 2025, the community gathered for a night that reminded us all what unity and purpose can achieve. Hosted at the lively and welcoming Newtown Brewing Company, the Lev27 organization held a fundraiser that wasn't just an event—it was a movement. With a mix of heart, humor, and hope, the Hope for Homes Fundraiser raised \$4,380 to support families facing housing insecurity.

The Lev27 organization, founded by Larry Steinhouse, is dedicated to preventing homelessness and providing rapid financial assistance and compassionate support for families in crisis. This event wasn't just about fundraising. It was about showing up for neighbors, creating community, and sharing a mission: to keep people in their homes with dignity and support.

From the moment guests walked into Newtown Brewing Company, there was a sense of connection. Whether it was over a locally brewed beer, a shared laugh, or a moment of reflection, attendees embraced the power of giving back. There was a vibrant energy in the air—proof that kindness is contagious.

Community came through. And it was powerful.

'This wasn't just a fundraiser. It was a powerful reminder that we're not alone—and we're stronger together,' said Larry Steinhouse. 'Each raffle ticket, each donation, every moment of support—this is how we make sure families don't slip through the cracks.'

The funds raised will go directly toward Lev27's emergency housing assistance programs. These programs are designed to give families breathing room during financial emergencies, offering them the support needed to stabilize and rebuild.

The Businesses and individuals who stand with Lev27
