CrowdCare Launches Mobile App Offering
24/7 Teletherapy and Virtual Doctor Access

A Human-Centered, Affordable Healthcare
Alternative—Now in the Palm of Your Hand

Deerfield Beach, FL – [October 8, 2025] —
TheCrowdCare.com, the revolutionary
healthcare membership platform disrupting
traditional insurance models, today

announced the launch of its mobile app for iOS and Android. Designed to expand access to affordable, compassionate care, the app includes on-demand teletherapy, 24/7 virtual doctor consultations, and real-time care advocacy, all included in one low monthly membership.

“We built CrowdCare to change the way people experience healthcare,” said Lee Cerasani, CEO of CrowdCare. “Now with our app, we’re making it easier than ever to connect with doctors, therapists, and care advocates—no deductibles, no networks, and no hassle.”

App Features Include:

- 24/7 access to licensed physicians for urgent or routine virtual care
- Teletherapy sessions with credentialed mental health professionals
- Secure in-app chat with care advocates
- Prescription savings card
- Bill upload for crowdfunding
- Private, HIPAA-compliant consultations

Affordable Care Without Insurance

We built CrowdCare to change the way people experience healthcare. Now with our app, we're making it easier than ever to connect with doctors, therapists, and care advocates—no networks and no hassle.”

Lee Cerasani

Unlike traditional insurance, CrowdCare offers:

- Flat, transparent monthly pricing
- No deductibles, copays, or network limitations
- Family, individual, and senior plans
- Medical bill negotiation and advocacy
- Crowdfunded financial support

Available now on the [Apple App Store](#) and Google Play Store, the CrowdCare app puts full-service healthcare directly in members' hands, with no surprise bills, no confusing paperwork, and real human support.

Real People. Real Impact.

CrowdCare member Cynthia H., a single mother of two, shared:

“Within 10 minutes of downloading the app, I spoke to a real therapist. No waiting list, no paperwork—just care. This is what healthcare should feel like.”

About CrowdCare

Founded to challenge the broken healthcare status quo, CrowdCare is a community-powered care model offering affordable, human-centered alternatives to insurance. By eliminating networks and deductibles, and putting real support behind every member, CrowdCare empowers people to take control of their wellness journey—with compassion, clarity, and cost in mind.
