

# Breaking Barriers Podcast Spotlights Christopher Brown: Redefining Wealth Through Purpose and Legacy

NEW YORK CITY , NY, UNITED STATES, October 8, 2025 /EINPresswire.com/ -- Breaking Barriers, the podcast hosted by renowned activist and human rights advocate Brisa De Angulo, has released an inspiring new episode featuring Christopher Brown, founder of Ivy League Financial Advisors.

In this episode, Brown reflects on leaving a successful career in management consulting to pursue a calling that went beyond traditional definitions of success. Today, he helps high-net-worth clients align their wealth with deeper purpose, showing that money is only part of the story.

"True fulfillment doesn't come from a balance sheet alone," says Brown. "It comes from aligning wealth with values, purpose, and the legacy you want to leave behind."

Brown candidly discusses overcoming burnout and self-doubt on his path to building a firm that emphasizes life planning alongside financial advising. From legacy and estate planning to guiding clients toward meaning-driven decisions, his work demonstrates that financial advising at its best is about more than money—it's about the meaning of life.

The Breaking Barriers podcast, created to amplify voices of entrepreneurs, visionaries, and changemakers, is available to stream now on Spotify, Apple Podcasts, Amazon Music, and Player FM.
