

# GentleMax Pro® Plus Now at Elle Medical and Aesthetics: Revolutionizing Aesthetic Treatments with Advanced Technology

LAFAYETTE, LA, UNITED STATES, October 8, 2025

/EINPresswire.com/ -- [Elle Medical and Aesthetics](#) is

thrilled to announce the addition of the [GentleMax Pro® Plus](#) to their suite of advanced aesthetic treatments. This state-of-the-art device is set to elevate the quality of their services, providing clients with unparalleled results in hair removal, skin rejuvenation, and more.

“

We are thrilled to introduce the Candela GentleMax Pro Plus to our clients in Lafayette and the surrounding areas.”

The GentleMax Pro® Plus can treat various skin conditions, including:

- Hair Removal: Effective for all skin types.
- Vascular Lesions: Treats spider veins, broken capillaries, and hemangiomas.
- Pigmented Lesions: Removes sun spots, age spots, and freckles.

-Fine Lines and Wrinkles: Improves skin texture and reduces signs of aging.

-Skin Tightening: Enhances skin firmness and elasticity.

The GentleMax Pro® Plus is a premier laser treatment system by Candela Medical that combines the power of two optimal wavelengths in one device: the 755 nm Alexandrite laser and the 1064 nm Nd laser. This unique combination allows for the treatment of a wide range of skin types and conditions, ensuring that every client receives personalized and effective care.

## Who Is a Good Candidate for Laser Hair Removal?

Laser hair removal with the GentleMax Pro Plus laser is ideal for clients looking to reduce unwanted hair from various areas of the body, including the face, legs, arms, underarms, back, chest, and bikini line. Unlike other [laser treatments](#), the GentleMax Pro Plus is effective for all hair colors, making it a versatile solution. Its dual-wavelength technology ensures permanent hair removal results for all skin types, distinguishing it from other options.

## Who Is a Good Candidate for Other GentleMax Pro Plus Treatments?

Patients with specific skin concerns such as age spots, sun spots, wrinkles, facial or leg veins, or uneven skin tone may benefit from GentleMax Pro Plus treatments. This procedure offers a non-surgical solution for overall facial rejuvenation, making it an excellent choice for those seeking to enhance their skin's appearance without invasive measures.

"We are thrilled to introduce the Candela GentleMax Pro Plus to our clients in Lafayette and the surrounding areas," said Crystal Fontenot and Andre Moronning, owners of Elle Medical & Aesthetics. "This cutting-edge laser system delivers precise, comfortable treatments for hair removal, vascular conditions, and pigmentation concerns. It's one of the most advanced and versatile technologies available, offering safe and effective results for all skin types," they added.
