Austin's newest destination weekender, Wicked Oaks Festival, will launch October 25–26, 2025 at Carson Creek Ranch, delivering a two-day, multi-genre celebration of music, art, and camping at a water-side venue minutes from AUS airport. The event combines three acclaimed creative communities into one immersive experience and anchors the final stretch of the city's fall festival season.

Organizers confirmed the weekend dates, on-site camping program, and venue details; the festival runs Saturday–Sunday, Oct. 25–26, with campgrounds opening Friday, Oct. 24 for a camping-exclusive pre-party that sets the tone for the weekend.

Programming spans cutting-edge house, techno, bass, and live/electronic crossovers. Public listings currently note Martin Garrix, Kaskade, Bob Moses, Gryffin, Cloonee, Flux Pavilion and more among the artists appearing across the festival's realms, with additional performers and
